LEGAL DOCUMENT Read it carefully

I realize that San Blas Half Marathon is physically strenuous, that there may be adverse weather, and there may be vehicles on the course. Nevertheless, I wish to compete and assume the risk of any injury at the crowded start, on the course, or on the finish area. I give up any claims for injuries that I can sustain, including death, and agree to hold harmless the San Blas Half Marathon, the Delta Phi Delta Fraternity, its directors and officers, volunteers, employees, sponsors, contractors, and anyone connected with the race. If necessary, the event may provide medical care at my own expense. I agree the race may use any photographs taken without compensation. I have read and understand all the matters mentioned above. I am making this agreement and paying my entry fee in exchange of the privilege of running this event and for using the facilities provided by the race. Further more I make known that a copy of the race rules was given to me and I accept that it was read well and I understand my obligation to fulfill the requirements of them. I agree with a 5% deduction from the money prize if I'm eligible for the award, according to the committee of "Fondismo" of Puerto Rico.
